The machine learning model's predicted cuisine

The machine predicts that the cuisine is: **Thai**

The machine learning model's additional reasoning

Ingredients:

- 8 ounces thin dried Asian noodles or linguine
- 4 tablespoons oriental sesame oil
- 3 tablespoons chopped peanuts
- 2 tablespoons finely chopped peeled fresh ginger
- 3 large garlic cloves, minced
- 6 tablespoons bottled teriyaki sauce
- 2 tablespoons fresh lime juice
- 1 teaspoon chili-garlic sauce
- 1 1/2 cups thinly sliced green or red onions
